REAKTION BOOKS

The Botanical Series

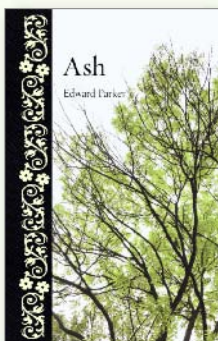

The BOTANICAL series integrates horticultural and botanical writing with a broader account of the cultural and social impact of trees, plants and flowers. Accessibly written yet containing the latest research, each title features around 100 fine images, almost all in colour.

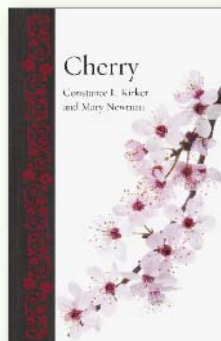

‘The new Botanical series by Reaktion-handsome small hardbacks printed on fat glossy paper, generously illustrated, clearly intended to be a pleasure to collect.’ - *Gardens Illustrated*

‘An attractive, lavishly illustrated new series, perfect for house gifts if you’re visiting someone who’ll welcome you with clean towels and a trowel.’ - *The New York Times*

NEW FOR SPRING 2024

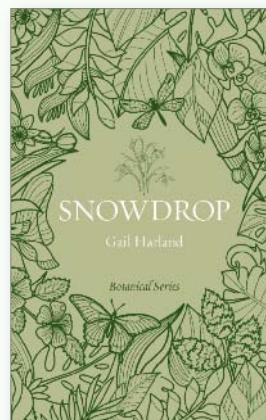

Pine
Laura Mason

Now available in paperback, *Pine* reveals the many ways pine trees have inspired and been utilized by humanity throughout history.

Laura Mason was a food historian and writer with a special interest in British foods and food customs, and a contributor to *The Oxford Companion to Sugar and Sweets* (2015).

101 illus, 82 in colour
216 pp £15.95
