## THE EDIBLE SERIES

EDIBLE is a series of books on food and drink, which explores the rich history of our consumption. Each title in the series provides an account of one type of food, drink or ingredient, relating its history and culture on a global scale. Around 70 striking illustrations, with many in colour, and numerous recipes complement these enticing, digestible publications.

'The EDIBLE series contains some of the most delicious nuggets of food and drink history ever. Every volume is such a fascinating and succinct read that I had to devour each in just a single sitting . . . food writing at its best!'

— Ken Hom, chef and author

'These are food memoirs, salacious and exotic, colorful, powdered, sweet, greasy and globe-trotting . . . sharp and speedy little reads, spotted with off-kilter illustrations.'

— Chicago Tribune
